

Carroll Manor Elementary School Staff Biography

Sarah Dimiceli
Art Teacher

This will be my fifth year teaching. I graduated from Frostburg State University in 2005 with a BFA (Bachelor of Fine Arts). My focus was in sculpture / jewelry. I will also be starting my fifth year as the J.V. girls' lacrosse coach for Linganore High School. I have played and coached lacrosse every spring since I was in fifth grade. This summer my new husband Frank, our cat Banshee, and I will be moving from Sykesville to Frederick. I love to teach and make my own artwork, but I also like to read, go camping, ride motorcycles, travel, and be with my family. My favorite artist is Auguste Rodin, who sculpted the *Thinker*.
