

Carroll Manor Elementary School Staff Biography

Tracy Green
Teacher

Hi, I'm Tracy Green and teach Second Grade at Carroll Manor. I've taught for 15 years. The grades I've taught include Kindergarten, Second Grade and Third Grade. I am the Science Fair Coordinator and Team Leader for Grade Two. I am currently working on my masters' degree in Educational Leadership from Frostburg State University. I have two children named Emily and Bailey. My daughter will be in Fifth Grade and my son will be in First Grade. We have lived in Adamstown for fifteen years and enjoy the beautiful views of Sugarloaf Mountain from our backyard. I enjoy the beach, swimming, reading and watching movies. I think Carroll Manor is the best place to teach and feel lucky ever day to see little smiling faces who want to learn!
