

Carroll Manor Elementary School Staff Biography

Carol McQueen
Teacher

My name is Carol McQueen. I have been teaching first grade here at Carroll Manor for three years. Before that, I taught both Kindergarten and First Grade at Woodsboro Elementary. I also spent one year teaching Pre-K and Kindergarten at Waverly Elementary. This upcoming year will be my 18th teaching for Frederick County. I am looking forward to returning to Kindergarten next year!

My husband and I live in Middletown with our menagerie of pets, our dog, Rusti, our cat, Scruffy, our canaries, Ghengis and Pretty Boy, and a hundred or more assorted salt and fresh water fish. Bear, our black bear hamster, spends the school year here at C.M.E.S. with me. Our daughter, Liz, just graduated from West Virginia University and has moved to her own apartment, so I am now an official member of the "empty nester's" club!

I love books, spaghetti, and gardening, and of course, children.
